

## Specialist Development and Fundraising Workshops

Be the movement to create a credible long term development & fundraising ecosystem for the benefit of the sector.

Practical fundraising gyan by specialist gurus for creating supporter involvement

@

**iCODEVGURUKUL: "Planning , selling and managing fundraising events"**

**APRIL 25TH 2009, VISHWA YUVAK KENDRA, DELHI**

iCODEVGURUKUL organizes the First Practical Fundraising Workshop with specialist Gurus who work hands-on to plan, conceptualize, sell and manage high profile events. Based on Feedback from Fundraisers and Development Professionals we at iCONGO, as a first, bring to you a Workshop with real gurus and practitioners who will not only give you theoretical gyan, but will show you how its done with practical experiences. As a first, iCONGO shall also handhold all participants for their strategy for planning Cause Related Events.

### SPECIALIST FACULTY

**Raman Raheja** is the Co-founder and Director of Brilliant Entertainment Network and has rich experience in large format entertainment events, having been the lead manager for events like March of the Nation – 50 yrs celebration of Indian Independence, Filmfare Awards at Mumbai, Lata Mangeshkar Nite, Peter Andre Shows, Michael Jackson Show. Raman and his company have also worked on IFFI at Goa and have executed fundraising events for some charities on a pro bono basis.

**Nirupma** specialises in knowledge events and seminars and has been leading some cutting edge knowledge forums for many years in India. At KW Conferences, she has handled marketing & business promotion activities for various events and has experience developing content for collateral & business portals. She has been conducting training sessions in language & communication skills and will teach how to organize knowledge events to get your message out to the people and involve them with your cause.
